

Welcome to the *fun-loving local's* guide to Provo

Download this PDF

-Then just click on the pictures to get started-

The map shows the island of Providenciales with several key locations and features labeled: **North Atlantic Ocean** (top and left), **Mangrove Cay** (top right), **Millennium Hwy** (central road), **Leeward Hwy** (eastern road), **Cooper Jack Bay Settlement** (south central), **Alexandra Resort** and **The Sands at Grace Bay** (east coast), **Long Bay Beach** (two locations on the east coast), **Sapodilla Bay Beach** (south coast), and **Bone-Fish Point** (west coast).

Arrows point from various photos to specific locations on the map:

- AMANYARA POOL** (photo of a pool with a thatched roof) points to the northern tip.
- NWPR POOL** (photo of a pool with a building) points to the northern tip.
- NWPR PRIVATE BEACH** (photo of a person on a beach) points to the northern tip.
- MALCOM BEACH** (photo of a beach with a person) points to **Malcolm's Road Beach**.
- DA CONCH SHACK** (photo of a beach shack) points to the central area.
- BONE-FISH POINT** (photo of a beach) points to the west coast.
- SAPODILLA BEACH** (photo of a person in the water) points to **Sapodilla Bay Beach**.
- NEPTUNE VILLAS** (photo of seafood) points to the southern area.
- BUGALOO'S** (photo of a drink and shell) points to the southern area.
- LONG BAY BEACH** (photo of a beach with a sign) points to the eastern Long Bay Beach.
